Payment

A \$100 non-refundable deposit is required to hold your space on a course. The remaining payment is due 60 days before the start date of the course. For locally held courses, or if it is less than 60 days from the course start date, full payment is required at the time of enrollment. Please read the cancellation policy carefully!

- My full payment of _____ is enclosed
- I have paid online via PayPal

- I prefer a single room at a supplemental cost

Cancellation Policy

Our cancellation/refund policy is based on our investment in staff time, course planning, park and lodging reservations, and food and equipment purchased prior to the course. The course tuition does include the \$100 non-refundable deposit. If cancellations are made within 60 days and outside 30 days of the trip monies will be refundable less the \$100 deposit. Cancellations made within 30 days of the trip are non-refundable. However, the amount (less the \$100 deposit) may be transferred to another trip reserved within one year. The cancellation policy applies to all situations- including injury or illness before the course. A company decision to cancel a trip is very unlikely, but we reserve the right to postpone any trip due to weather conditions or insufficient reservations. In this case a full refund, including the deposit will be given.

Next Steps

After submitting this application, please complete the Participant Profile and Medical Form within two weeks of the course starting date. We will be happy to email or mail the additional forms to you after we receive your registration packet.

Thank you! We look forward to providing a memorable experience!
